STRATHMORE HOCKEY CLUB MAINTAINS EXCELLENT STANDING

Sometimes we wonder after reading the "Horsehugers" Hockey articles in Maclean's magazine if it were possible to find a hockey team of championship calibre, which would be free from the taint of imported players and professional talent. That such a team actually exists and right in our own backwash is a decidedly pleasant surprise. In case you can't think of the team in question let us assure you that it is none other than the Strathmore Red Wings. Here's just a few facts and ends about Manager McFarland's Reds which are worth considering when you plunk down to add two bits or thirty-five cents to see them in action.

Of the 10 regular players 4 are in line, 2 in Strathmore and 2 in Chicago, 2 were born in Canada out of the district, 1 in Chicago, and the other in Winnipeg. Imports, 2 could be classed as champions, 2 being products of the late of Man, English or Irish as your fancy dictates. One from the St. Louis Cardinals, the fourth is the lone Scotchman, the McGregor. The Scotchman was the latest importation just arriving in the district in 1925. When it is remembered that the average age of the team is just a little over 22 years it is quite evident that the Reds can be accused for importing players. They have all learned to play the game right here in Strathmore, strict local products. The McGregor, the old man of the works although under a score and ten and Les Christensen is the young sport of the team being considerably under twenty. Mostly weighing around 170 it is noted that the team average is 169 pounds on the hoof. Gene tops the works at 225 and Eddie Collins just makes 112 full of pop. Hanging from 6 feet 4 inches, Leonard Van Tighem, down to Eddie Collins's 5 feet 10 inches, find the team's average height to be 5 feet 9 1/2 inches. Not bad for a local team that is out to cop the 1934 Intermediate Hockey Championship.

Here is how the team individually stacks up: E. Crelin, Captain, came to town from the Isle of Man. In 10 stanks 6 feet 5 inches weighs 175 lbs. plays left handed and his position is that of centre or left wing, picks a wheel shot from all angles. E. E. (Gene) Gironx the major in point of service and age of the works plays at right defense and shoots from the right side also, weighs 215 lbs. and is 6 feet 2 inches. His specialty is a hard lone shot when he can't get in. In fact to catch his own rebound.

Edie Collins weighs only a little less, weighing 142 lbs. standing 5 feet 10 inches plays right handed and holds the right wing position, and is a constant thorn in the flesh of the opposition. Teams left winger. He is reputed to curl on a dime and give you a middle change such is his agility. Jack Crelin, the Captain's brother, served here in 1931 grew to 6 feet 1 inch and gathered to himself 175 lbs. of left handed efficiency. He bangs home them in with a scintling drive and is possibly the fastest man on skates on the team, a hard worker and checker. William (Bill) Gironx another point stand 5 feet 10 inches, weighs 147 lbs. One of the local prospects being born at Chesley. He bangs shoot from almost any angle and hit the spot he picks, very valuable for his ability to get his shot off fast. Hector, The McGregor, the solitary Scot came to Strathmore from Glasgow in 1925 grew up with the gang 5 feet 10 inches weighs 170 lbs. He used to play at right wing until it was found that left defense was cut out for him. He shoots right hand and since the change to the defense position has been making him self very useful to the team. Charlie Gironx, the youngest of the three on the team, is a 6 footer weighing 165 lbs. His position is that of centre and he shoots left handed. In play making, stick handling and breaking up on pickup, rashes Charlie is by far the pick of the team. Without Charlie the defence would be worked to death all the time. George Clelin, the extra ordinary, the second youngest on the team is 5 feet 9 inches and without pads weighs 142 pounds. Like back Gardner said, "George has the worst George has his tough knuckles but otherwise kicks and bangs them

out in great style. Les Christensen although the youngest in point of years stands 5 feet 10 inches and weighs 172 lbs. Graduating to the senior team a couple of years ago he has proved to be a valuable acquisition at right wing where he slams them home from the port side. A fast aggressive skater and a dandy stick handler, L. C. (Leonard) Van Tighem, the six foot fourer of the team weighs 187 lbs. and has the honour of sharing with George Clelin the distinction of being born in Strathmore. From 1925 to 1930 Leonard played hockey and basketball at Campion, College, live in, where, he says, Al Ritchie gave him a few tips on how to play the game and grab off a R. A. From 1931 to 1933 his hockey experience was confined to St. Augustine Seminary, Toronto, where Dick Vint of the Toronto Maple Leafs had a weather eye peeled for new material. Coming to the team this season Leonard plays a nice heady game both on attack and defense. His position is that of left defense and he shoots from the port side.

Control of the team rests with Manager A. V. McFarland who acts as coach and manager combined. T. S. Hughes has the honour to be the President of the club while Leonard (Shushin) Hill looks after the books both coming and going.

If you want to get your money's worth for entertainment, patronize the games. A skating party follows each of an intermediate championship in 1934.

Here is the team record for 1933 and 1934 up to date:

1932-33	22	14	5	3
1933-34	10	8	2	
Goals 1932-33	For 105;	Against 47		
Goals 1933-34	For 43;	Against 27		

NAMAKA

The Y. P. S. held its last regular meeting at the home of Miss Marjorie Wooster. A skating party followed, although the ice was not in very good condition. The young people have started rehearsals on a play, The Artist, where under the direction of Rex Brundage.

The Ladies Aid met at the home of Mrs. Claude Watson on the 7th. Mrs. Chas. Watson acting as hostess. It was attended by a large group. There was a good supper on March 7th and an appropriate Irish program to follow. The next meeting will be at the home of Mrs. E. C. Watts.

Two tables played at the first Ice hockey card party held on the 5th. Mrs. W. H. Watson's chat was held at the home of Mrs. E. C. Watts while the honours in bridge went to Miss Ed. Watson and E. Bremner. The next office of the ladies will be held on Wednesday the 21st, to be followed by an ice ball top.

The Magic Joe Wooster left last Sunday for Calgary where she will be engaged for the next month in one of the stockyard shows.

Jack Fawkes of Strathmore is the guest of his brother W. Fawkes during his spring vacation.

Under the auspices of the Ladies Aid of Namaka the Y. P. S. of Strathmore held a skating party on the 10th. The first prize was won by Mrs. Sargent and the consolation by Mrs. M. Miller. A delicious lunch was then served to

CHEADLE

At the card party last Tuesday held by the ladies club the fortunate winner was Mrs. Silverman and Miss Keor. The consolation was awarded to Mrs. Weinshier and Master Hoy Novak.

At the meeting of the ladies club held at the home of Mrs. F. Cramer on Thursday last bridge was played. The first prize was won by Mrs. Sargent and the consolation by Mrs. M. Miller. A delicious lunch was then served to

Local News Items

Mrs. P. C. B. Hervey whose burial took place in Calgary Tuesday last was the wife of Asst Engineer Hervey who was connected with the C. P. R. in Strathmore's early history. The Hervey school was named in honor of P. C. B. Hervey.

The W. I. will meet Wednesday Feb. 21st at 2:30 at the home of Mrs. Boisjave.

Mr. Frederick Hervey is still suffering much pain but gradually growing stronger.

The Strathmore Y. P. S. were entertained at a very jolly party Thursday last week by the Y. P. S. of Glenview.

Little Doris Watson was threatened with pneumonia is convalescing nicely though still confined to bed. Her many little friends hope for a speedy recovery.

Dr. Giffen accompanied the sons to the homes of Mr. and Mrs. Harold Gray, Mr. and Mrs. Charlie Gironx Feb. 13th bringing a boy in each case. The latter young man just escaped being a Valentine gift.

The Department of Extension of the University of Alberta writes to say that the Lancers Slide, set, Holy man's life of the Christ, together with the Fairy Story, Androcles and the Lion, have been unavoidably delayed in dispatch. They will therefore be shown on Wednesday 21st in the place of The Old Church in the New Dominion. St. Michael's Church, at 4:30 p.m.

Mrs. J. McKay and Mrs. Laycraft entertained at a Ladies Aid Tea at the home of the former Thursday afternoon. About 10 ladies were present.

RED WINGS TRIM CONSOLS 3-2 TO WIN FIRST ROUND SERIES 7-5

On Saturday a good crowd of about 250 people turned out to witness the second playoff game with the British Columbia, which resulted in a 3-2 victory for the Red Wings, winning the two game series 7 to 5, the previous game being 4 to 3 for the locals.

The ice on Saturday night was in a very poor condition and the skating was not so fast, the fans however were held in a very excited frame of mind because anything could happen as both teams were playing well and many hard shots were taken. Jack Cleve and Jacobs made many brilliant saves in the nets.

The first period was perhaps the shortest, many stops took place due to the soft ice. There was no score and no penalties were handed out. The game was much more exciting

as the second period got under way. Both the goalies were called upon to keep out the hard shots which were most at the nets. Two penalties were taken.

The Consols were playing 5 men up in the third period, the play was kept mostly at the Strathmore end, and the first break came when Morgan of the Consols accidentally put the puck in his own goal as he was trying to clear. Christensen gets credit for this start as he was the last one to handle the puck for the Reds.

Morgan redeemed himself a few minutes later when he scored a nice goal for the Consols making the score 1-1. McGregor scored the best goal of the evening when he put his own rebound past Jacobs to make the score 2-1 for the Reds. McLean scored for the Consols in 15 minutes to be followed later by Gene Gironx scoring on a long hard shot making the final score 3 to 2.

The next meeting of the new organization will be held in Glenclon on March 25. There will be a short business meeting after which the following topics will be discussed. Resolutions for the annual convention The High School Algebra Courses Set Work.

Forecast Revolution in Auto Design

(Left) A. Leyden-Frost in his modern New York style. (Center) Design of Leyden-Frost for a completely aerodynamic sedan. (Right) The history of the automobile's development, from the old race to the modern streamlined, as sketched by Leyden-Frost.

Important changes in automobile design of the near future are forecast by A. Leyden-Frost, famous industrial engineer-designer. Aerodynamic science and scientific streamlining are supplanting the primitive auto designing which was based on the old horse-and-carriage tradition. Future design is to be entirely functional—efficient rather than precedent will rule. With the application of aerodynamic science, automobiles will experience great increases in economy, comfort and safety. Mr. Leyden-Frost declares. The new science is already being reflected in cars with rounded noses, wide fronts, tapering rears, roundly in, airo, and all-in-one-piece steel construction.

LARGE CROWD ATTENDS SILVER WEDDING AT DALEMEAD

SILVER WEDDING, EVENT OF
LARGELY ATTENDED BANQUET

An event of unique and real interest was held in the Community Hall last Saturday evening when, with a whole circle of their friends and relatives, Mr. and Mrs. Martin Van der Velde of Dalemead celebrated their silver wedding anniversary. The occasion of a community banquet, the hall was very nicely filled to capacity, when 125 guests sat down to a dainty repast prepared for the occasion. Very nicely decorated with red ribbons and daisies of a similar hue, the tables presented a pleasant array of color. Two bouquets of pink and white carnations the gift of Mr. and Mrs. G. Drayson of Tupper, Iowa, to Mr. and Mrs. Van der Velde decorated the tables at the head of the hall. Those seated there were Mr. and Mrs. Martin Van der Velde, Rev. and Mrs. F. F. Weaver, Mrs. and Mr. Leonard, Mr. and Mrs. C. A. Phillips and Mr. and Mrs. Andrew Van der Velde.

Acting as Master of Ceremonies, Mr. J. H. Olson in his usual affable manner called upon the first speaker of the evening to present a toast to the King. Rising to speak, Rev. F. F. Weaver opened in a humorous vein, and then continued by saying that while many couples had been taken and many others had been taken, the fact of the matter was that the family of Great Britain committed to the present day firm in the straits of their people and that the presence of the Democratic outlook on the part of its members. He concluded his remarks by emphasizing the imperative need of an international outlook, and that of establishing unity and lasting peace amongst the peoples of the world. This done, was followed by a fine singing of "God Save the King." Mr. Frank Fulton of Tupper, then sang a solo, in his usual excellent way, and followed with a short speech. Mrs. L. Winters also of Tupper, then presented at the piano.

Quite the outstanding event of the evening was delivered by Mr. J. H. Olson and addressed to the home people of the evening. His subject was "The Home of the Future." He moved the audience into a position as he depicted some of the high spots in the respective careers of Mr. and Mrs. Vander Velde. From the time of their residence in the community since 1910 the former having come into the district a bachelor a few years previous and thus one of the nation's earliest in the community, had at all times taken

an active and keen interest in the affairs of the district. In the U. P. 2, the establishing of the wheat pool locally, its elevator and in the life and activities of the church. As such the event of last Saturday evening, provided not only the celebration of an anniversary, but the honoring of those who had helped to make the district even what it is today. Toasts by Mr. Oscar Moorhouse to the mothers, answered to by Mrs. L. McKinnon of Calgary, by Rev. Leonard, for many years minister in the local field and now of Crossfield, to the ladies, and answered to by Miss E. Walker in a brief but pleasing manner.

It was entirely fitting that this occasion should be marked by a presentation of a gift to the Vander Velde's, a silver tea service of Victoria plate, by Rogers. Speaking on behalf of his mother, Mrs. John Winters, who presented it on behalf of the community, Mr. Frank Winters spoke briefly. Mr. J. H. Olson, in a few well chosen words thanked his many friends and neighbors for their tokens of friendship. He touched on early times in the community and declared that these were no more. An open prairie, and days of good neighborliness among the early settlers. Mrs. Roy Wheeler having sung pleasingly, Silver Threads among the Gold, the program was concluded by a few remarks from old times and by representations from the community. Five guests. Mr. J. H. McKinnon of Calgary but formerly teacher and farmer of long over standing. Mr. Alex Roy of Chinle and Mr. Ben Burdick of Calgary, rounded out an evening memorable and ever long to be remembered.

Other gifts then have already mentioned in the flow were a set of table silver from Mr. and Mrs. Anderson of Vancouver and Mr. and Mrs. H. Voss, a three table silver from Mr. and Mrs. L. Winters also of Tupper, and a very large number of complimentary messages.

CRAIGANTLER

There will be a dance in Craigantler for school on the 15th. It is intended to emphasize the reason for the dance to be held on the 15th. It is intended to emphasize the reason for the dance to be held on the 15th.

When the school is likely to have a dance in the near future there has been some card parties held during the winter and proceeds to go toward a piano.

Billy Schiller is very fond of his grandson and presents him mostly every time he goes to the Meadowbrook hall. The young chap is beginning to be quite a favorite.

Although a director of Meadowbrook hall, (a very important position) Cecil Decker is seldom seen lately, a very much married man.

CROWFOOT

Quite a number of residents in the district are on the sick list. Mr. Hardesty has been feeling unwell this past week.

Mr. Oscar Stevenson has undergone a minor operation in the Holy Cross Hospital, Calgary.

Mr. Fred Harvey is in the General Hospital, Calgary recovering from an operation for an ulcerated stomach.

Mrs. Hunkal has been seriously ill, on the verge of pneumonia. Several of the neighbors have been nursing her. Mrs. Shields has been staying with Mrs. Hunkal during the latter's illness.

We wish them all a speedy recovery.

Several of the neighbors of the district attended a course in horseback riding held in Mr. S. F. Gault's past on Thursday and Friday. Professor Whyte of Calgary was the demonstrator.

Mrs. Nilsson took a trip to Calgary one day last week.

Mr. and Mrs. Clarence Garbutt acted as host and hostess at an enjoyable skating party held at their place on Wednesday evening. It was a beautiful evening. Before the skating party left the ice one or two cars involved in a little waiting on the ice (feeling their gasolins as it were). Refreshments were served in the house and a game was played before the party of about 14 young folks, all young in life if not all young in years, scattered to their various homes.

Believe it or not (with apologies to Mr. Huger) the answer to last week's mathematical problem is 6 CATS.

Rever's beauty is on the wane. He collided with a pig's head in the school yard on Friday. Fortunately his sight is not impaired but we are seriously thinking of changing his name to the more appropriate one of Scarface Al.

The Finest Ford Car
Ever Built

NEW FORD V-8 for 1934

Ford engineering and manufacturing methods made the V-8 type engine available in a low cost car. The Ford is the only car under \$3700 with a V-type engine. But Ford didn't stop there. For 1934 the engine has been materially improved. It is now the most economical car to operate ever built by the Ford Motor Company.

More miles per gallon, quicker starting in cold weather, greater power, more speed and smoother performance are obtained with the new Dual Carburetor and Dual manifold. A new built-in ventilation system gives desired fresh air without drafts and does not obstruct the vision.

The Art Preservative

Printing is known as the "art preservative" because the process gives permanence to thoughts and ideas in a legible and neat way. The printed word carries more dignity and more influence than any other medium.

The suggestion is made that you will benefit by using more printing in 1934 as a means of increasing the prestige and scope of your business.

Every progressive business and professional man takes pride in his stationery and in the printed material he sends out. The quality of the printing indicates the individual.

The Strathmore Standard takes pride in the printing it does for a large group of customers. This office is equipped to do the very best work. Each job gets the most careful attention.

The prices charged are reasonable. This is proven by the number of repeat orders. The Strathmore Standard has never aimed to make more than a modest profit.

If we have done printing for you before please accept our thanks. May we continue to serve you? If you have not hitherto been a customer we would appreciate a trial order.

Yours Truly,
"THE STANDARD"

TRUSTEE ELECTION

The Standard feels that the election of the electors in the Monday election was a safe one. Crossing forces in the midst of a campaign to give a dangerous practice, and while no individual or group of individuals can hope to escape criticism, yet we trust the school board has fulfilled its obligations conscientiously having in mind the efficiency of the school and as ratepayers, the problems of the town.

Mr French has served as Chairman of the Board since 1921 and knows the line and out of requirements from A to Z. Each of the other five members are able advisors and we look for a safe and sound steering of the school ship.

NAMAKA FARM

Pound Lake was the rendezvous of a joyous group of skaters on Tuesday. Everybody reported having had an enjoyable time.

The January issues of the Namaka Farm School Pals has just come out and the news and is commencing its circulation among the parents on Friday. This month's cover design, A January Landscape, was awarded first prize in the cover design contest. The editor of the magazine is to be complimented for this and other work in connection with the school paper. Of outstanding interest is the poetry by Henry Bergen and a photo of the Builders, showing a gang of local men under the supervision of H. Bergen building the teachers.

The Bible Memory Contest in our school is meeting enthusiastic support. The Canadian Sunday School Mission of Three Hills promises a week at their summer camp at Gull Lake free of charge for each pupil who learns 500 verses. Pins, testaments, and books are awarded for a smaller number of verses. Learned, John Wall who is 10 and in grade 5, learned 110 verses in the latter part of January. Henry Kopp with 50 and Eric Wall with 41 come next.

Humors are circulating to the effect that C. C. Epp is getting tired of teaching house. Teaching and house-keeping are two distinct types of work and should be assigned to the proper parties. We are assured however that there is no danger.

Our school has re-enrolled and become a branch of the Junior Red

Cross. The program committee, of Frank Martens, Agnes Williams and Amelia Berger, under the direction of their teacher are planning a Junior Red Cross Program on St. Valentine's Day. There will be a party after the program to which all next year's beginners are heartily invited.

Mr and Mrs A. Towell yesterday with a party of friends gathered in the home of Mr A. Towell to honor the latter's birthday. On this occasion the sewing circle planned their mission work for the coming season. The Strathmore Church helps to support mission work in India and Africa.

The big sandstone on Friday evening did not prevent the members of the east of Strathmore, from meeting in the home of Mrs. B. B. B. The club will meet again on Monday and the play will be in the school Feb 17.

Mr H. M. Williams will be absent for two weeks touring the province and taking part in the Bible Convention held at the various centres. A group of Misses left for Crowfoot on Monday to attend the conference at that centre.

Mrs J. Martens who has been ill for some time was taken to the hospital in Coultale.

An enjoyable birthday party was held in the home of Mr H. M. Williams on Sunday evening, in honor of their son, Alvin Williams. About 20 young people were present. A lunch served by the hostess Miss Katie Williams was enjoyed by all. Games did much to lighten the evening. In this connection we wish to say that Miss Williams' young people are capable of enjoying themselves even if they do not dance. It is an enormous idea, held by people not well acquainted with the minds of young people.

We have received a letter from Coultale that Mrs J. Martens of Namaka has been operated on for her kidneys. Her condition is described as improving.

A series of three revival meetings were held in the School and Church Feb 5, 6 and 7.

Friends of J. E. E. Coultale were shocked to learn of the death of their 12-year old daughter, Vera. Riding from school a car went by, the horse stumbled and fell on her.

Next Saturday Feb 17th the two act play C. C. Epp will be presented in the school. The proceeds of the evening will be divided between the Junior Red Cross, Calgary and the needy in Russia.

CARSELAND

Mr and Mrs C. G. McLeamy are spending the winter in the warm state of Indiana.

The U. F. A. and U. F. W. held their meeting at C. Park on the 6th.

WARNING—If parents of the five C. C. Epp boys will replace Magnus on my tractor there will be no more questions asked. Only four families concerned. (Signed) W. J. Giles.

The people of this district are not very well satisfied the way the Govt turned the date of Auto License year.

Mrs Doris Stitt of Bassano was operated on for appendicitis last week. We hope for her speedy recovery. A joint meeting of the local U. F. W. and U. F. A. was held Tuesday evening February 5 at the home of Mr and

ARNEDNOE

Mr and Mrs B. Pierce were Calgary visitors one day last week.

Mr and Mrs G. Dawson entertained Mr and Mrs C. O. Dawson and family and Mrs B. Appen and family at dinner Friday evening last week.

Mrs R. J. Kearns was a Calgary visitor one day last week.

The ladies of the Community Club met at the home of Mrs. J. B. Brook Wednesday afternoon last. The hostess was answered by a favorite song after which the ladies discussed the Perkins System which proved very interesting. The business League continued the hostess served a delicious lunch which brought the meeting to a close. The next meeting will be held at the home of Mrs. Chandler.

The home of Mr and Mrs T. L. Chamberlain was the scene of an attraction Friday evening last, also on Monday of this week, when they entertained at bridge, our tables of contract were played Friday evening, the fortunate winners of the high scores were Mrs. Spence Hughes and Mr. Hugh Berry, while Mrs. Peterson and Mr. Perry were awarded. The consolation. Monday evening five tables were arranged and the fortunate winners were Mrs. Whitehead and Mr. Nels White and Mr. Patrick. At mid night the hostess served delicious refreshments which brought a very happy ending to two enjoyable nights.

The home of Mr and Mrs T. L. Chamberlain was the scene of an attraction Friday evening last, also on Monday of this week, when they entertained at bridge, our tables of contract were played Friday evening, the fortunate winners of the high scores were Mrs. Spence Hughes and Mr. Hugh Berry, while Mrs. Peterson and Mr. Perry were awarded. The consolation. Monday evening five tables were arranged and the fortunate winners were Mrs. Whitehead and Mr. Nels White and Mr. Patrick. At mid night the hostess served delicious refreshments which brought a very happy ending to two enjoyable nights.

HOCKEY EXTRAORDINAIRE!

At the hockey game in Toronto put on by the Maple Leafs and the National All Stars team a crowd of 10,000 people filled the arena which was packed into a final crowd injured Ace Bailey. As a game it was thrilling only because of the famous performers. Bailey himself faced off the puck for the start and took part in a colorful preliminary ceremony. It was the first public appearance of the Ace. When Eddie Shore shook hands with the injured Ace the crowd shook the rafters with noise. Every move made by Shore, was cheered during the game. The plan and carrying out thereof was a definite demonstration of the Brotherhood of Man.

SAME DAY

Ash Wednesday and St Valentine's Day coming on the same date like Easter Sunday and All odds Day are very rare happenings and only occur once or three times in the century.
